

Finding ou in Text

Find the ou sounds and underline them.

Bob rushed out of the house when his sister screamed. He knew she had seen his new pet mouse. To get away from the sound, he ran around the corner to see his friend, Billy. He ran past a field of cows and down to the end of the street.

As he arrived he started to shout really loudly. Billy hurried out.

“I can’t stay around here!” Bob said. “My sister has found the mouse I bought!”

“I’ve got a pound.” said Billy. “We can head to the south of town. By the time we come back, she will have calmed down.”
