

Read what our children say about school...

I love school because it's the best!

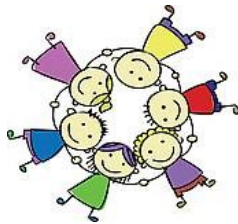

I love school because it's perfect!

Good attendance means we get new friends and be with them. I can learn to be a hairdresser.

All of the dinner ladies are nice and so are the teachers and headteacher!

The teachers and children are amazing!

Everyone is nice to me and I have good and helpful friends.

Thanks to the following children for your comments:

Tests are good because they're tricky and I like to have a go!

It's perfect and I like doing jobs!
