OVERVIEW OF OUR SCHOOL IMPROVEMENT PLAN

This is a summary of our School Improvement Plan. It shows the keys issues we are working on to constantly evaluate and improve.

| PERSONAL DEVELOPMENT | QUALITY OF EDUCATION |
|---|--|
| To work towards the BERT Silver Award for RHE provision | Achievement to be in line with National expectations, focusing on Reading and Writing |
| To enhance the capacity to hear the children’s voice and lived experiences | To raise standards for all groups, in particular Pupil Premium children |
| To develop a strong, effective and representative School Council (4-7 years) | Following the implementation of Little Wandle Letters and Sounds Revised (one year on), to achieve 80% in the Phonics Screening Check |
| Enrichment and engagement opportunities to be planned in each subject area with clear purposes | To embed the impact of the Maths Hub Mastery Programme (year two of the project) |
| BEHAVIOURS AND ATTITUDES | LEADERSHIP AND MANAGEMENT |
| To develop clear links between family support, our Early Help Offer and attendance | EYFS and KS1 planning to reflect clarity and consistency in order for pupils to retain key knowledge in foundation subjects |
| Attendance across all groups to improve to be closer to national levels | New subjects leaders to be trained to ensure they have the skills and knowledge to enhance their area of the curriculum monitor effectiveness and standards across their subject |
| The Family Support Worker to become qualified to deliver the Solihull Parenting Programme to improve our pastoral support | To be part of the Derbyshire County Council Supervision pilot to ensure leaders take account of the main pressures on staff |
