

SAFEGUARDING

Who are the Designated Safeguarding Leads?

We are committed to ensuring children and adults at Cotmanhay Infant and Nursery School are safeguarded at all times.

Please see our safeguarding statement for more about what safeguarding in our school means.

We have a Safeguarding Team structure in place consisting of 4 DSLs and 2 Deputy DSLs.

All school staff know how to report concerns and are aware of the signs of abuse and neglect. Every raised concern is always addressed and/or investigated.
